Monthly Theme: ALL ABOUT ME

Wobbler Class

Teachers Carla and Bertha have a great month of activities planned; learning ALL ABOUT ME from the tips of your fingers to the bottom of your toes. They will also work on Self-Help goals like self-dress-up and sharing. Please remember to bring in extra clothes in case of an accident.

Preschool A

Teachers Nia and Maria are asking that the families bring in a family photo. They will also be doing an activity with the families and will be needing your help to complete the child size cutout with your child 's favorite color, food, vacation, hobbies or family photos, their pet(s) anything you would like to share with the class.

School Age Class

As the summer ends teacher's Sandra and Kip are busy with the new protocols and guidelines for the new school year. They are getting set up so that each child in the class will have a place that they can fulfill the Distance Learning requirements. This is something very new to you and Discovery Gardens so please bear with us as changes will be made accordingly. Thank you for your understanding and corporation.

BACK TO SCHOOL

Summer is gone and a new school year is near, you must have so many questions as we are about to begin this very strange and different kind of school year. Rest assured that we are going to have a great year. Discovery Gardens will be here for all our families to help us all to get through this together.
